**PlaceViewController.m**

```objc
-(void)makeThisPlaceInteresting:(id)sender {
    NSMutableArray *tempArray = [[NSMutableArray alloc]
                                initWithArray:self.city.interestingPlaces];
    [tempArray addObject:self.place];
    self.city.interestingPlaces = [[NSArray alloc] initWithArray:tempArray];
    [City saveCity:self.city];
}
```
